Certain support services for the above models have been discontinued as follows:

- Support for DJ applications and software bundled with the above products has been discontinued. Operation of these products in combination with such applications or software is no longer guaranteed.
- Support for the new OS has been discontinued. Proper operation with the latest OS is not guaranteed.
- Firmware and driver updates for these products are no longer available. As a result, no new features, bug fixes, or other updates will be provided.
- Security updates and support for security vulnerabilities for these products are no longer available.
- Depending on the nature of your inquiry, we may be unable to provide sufficient guidance, or we may be unable to provide a response or solution.

We apologize for any inconvenience this may cause and sincerely appreciate your understanding.
