

TRAKTOR Scratch PRO 2 / TRAKTOR PRO 2 Setting File for DJM-T1 – CHANGE HISTORY

Ver.1.02 (3 December, 2012 Update)

The following functions of TRAKTOR Ver.2.6 can be controlled by DJM-T1 if this Settings File is loaded to "TRAKTOR Scratch PRO 2 / TRAKTOR PRO 2".

- ✓ Switching the FLUX mode on and off
- ✓ Toggling between "Insert" and "Post Fader" in the FX UNIT Routing

Ver.1.01 (6 September, 2011 Release)

The following problems are revised by loading this setting file into "TRAKTOR 2".

- ✓ Keys of Hot Cue, Sampler and Effect sections do not light correctly.
- ✓ When Generic Controller Mode, Effects cannot be selected.
- ✓ Tracks in [TRACK] area cannot be loaded into Sampler Slot.
- ✓ LOOP MOVE function does not work correctly
