Guide to get Serato Video

Before Start

- DDJ-SP1 bundles a voucher which can be used to download Serato Video free.
- This guide describes how you can get Serato Video using the voucher code printed on the voucher.
- Internet access is required to download the Serato Video. (A separate contract with and payment to a provider offering Internet services is required.)
- Serato Video can not work as stand-alone. Install Serato DJ before using Serato Video.
- An operating environment for Serato Video is different from Serato DJ. For the latest information on the required operating environment for Serato DJ and Serato Video, please visit Serato website.
- Please see the DDJ-SP1's Operating Instructions (Advanced Edition) for how to install and authorize Serato Video, and how it is controlled by DDJ-SP1.

Before you start

Prepare the bundled voucher.
The voucher code is printed on the voucher.

Visiting the webpage for Serato Video voucher

Visit the following webpage after launching the web browser on your computer.
<http://www.serato.com/voucher>

- 1) Enter your e-mail address when the screen like below appeared. Then, click [Continue].

SERATO VIDEO VOUCHER

IMPORTANT for Pioneer DDJ-SX vouchers: Please take care when entering your voucher code. The lower case letter l (as in lemon) is **not** a valid character. Please use the number 1 character instead.

English · 日本語

- 2) When the serial number appears, please make sure to copy it because you need it later. The serial number is required for authorization of Serato Video.

SERATO VIDEO VOUCHER

Your Serato Video serial number is:

XXX-XXXXXX-XXXX-XXXX-XXXX-XXXX

You can view all Serato products and licenses on your [products](#) page.

What do I do next?

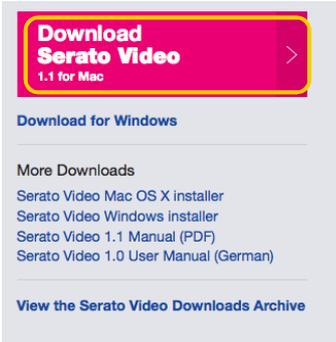

1. Download and install the Serato Video expansion pack.
2. Launch Serato DJ
3. Go to the Setup screen.
4. Enter your new serial number into the Expansion Packs tab for Serato Video.

IMPORTANT for Pioneer DDJ-SX vouchers: Please take care when entering your voucher code. The lower case letter l (as in lemon) is not a valid character. Please use the number 1 character instead.
